Dinner, Program, Music, Dancing, Dessert

For 72 years, Community Social Services of Wayne County (CSSWC) has provided a broad range of human services for everyone from infants to senior citizens. Our services are available to all, regardless of age, religious preference, gender, race, disability or economic status. We are proud to be in Detroit, focusing on human development throughout Wayne County.

Mission

Develop partnerships with like-minded organizations, inspiring action that results in rebuilding broken lives and restoring dignity.

Vision

Deliver excellent services, unlock human potential and empower individuals and families.

Uplifting our community and empowering Detroiters and Wayne County residents since 1946.

Community Social Services of Wayne County's 72nd Annual Gala is an opportunity to celebrate the agency's accomplishments with corporate leadership, organizations, community leaders, friends and supporters. It is also an opportunity to meet our new president, Wm. Chuck Jackson, engage with our Board of Directors, meet some of our staff, volunteers, recipients of our programs and learn about the services we offer and our plans for the future.

Our goal is to raise \$150,000 to support our programs. The evening activities will include the following presentations:

The Community Leadership Award
Presented to Derek Aguirre, Executive Director RacquetUp Detroit
&
The Kristy Lynn Berkelbaugh Child Advocate Award
Presented to the Honorable Judge Virgil Smith

Programs and Services

Child Welfare Services

Foster Family Care Program – CSSWC foster families provide temporary homes for abused and/or neglected children. In safe and caring licensed homes, foster families provide warmth, love, attention and security.

Semi Independent Living Program – As an alternative to foster care, CSSWC offers adolescents a program that focuses on increasing the individual's daily living skills, vocational skills, social skills, community integrations, and financial literacy skills.

Foster Home Licensing – If you are interested in being a champion for a child in need, become a licensed foster parent. Foster Parent Orientation and PRIDE Training are required to initiate the process and are offered monthly.

Teen Infant Parenting Services (TIPS) – Teen Infant Parenting Services (TIPS) is a transitional housing program with the capacity to serve 16 homeless mothers and their children in an apartment style setting. The comprehensive program provides a variety of support services including parenting education, basic life skills, individual and group counseling, support for completion of high school and career training.

Programs and Services Continued

Behavioral Health and Community Services

Substance Abuse Treatment and Prevention Programs – Substance Abuse programs focus on outpatient care for adult alcoholics, drug abusers and their families

W.A.R. Program – Worthy Able and Ready (W.A.R) program helps ease the transition of returning citizens age 18 and older re-entering into society from prison. The program assists citizens to secure employment, housing and obtain proper identification including Social Security Cards, Birth Certificates, etc.

Senior/Volunteer Services

Foster Grandparent Program (FGP) – Since 1965, Foster Grandparents devote their volunteer service entirely toward disadvantaged or disabled youth.

Senior Companion Program (SCP) – Senior Companion Program began with CSSWC in 1974 and is a national older adult volunteer program designed for seniors to help other seniors maintain independent living.

Retired and Senior Volunteer Program (RSVP) – Since 1973, RSVP connects volunteers age 55 and over with service opportunities in their communities that match their skills and availability.

Programs and Services Continued

Education and Literacy Programs

I Know Right (IKR) Reading Programs – Literacy programs serve all learners in an environment where academic success and life success walk hand-in-hand. Working directly with parents, schools and the community, CSSWC's literacy programs seek to assist learners of all ages achieve academic success and reach their highest potential in life through knowledge.
